Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir or Madam:

This submission is made in order to correct the status of the subject patent. It is believed that the previous status established as a small entity was so established in good faith and the fees paid as a small entity were paid in good faith. It has recently been discovered that an earlier connection with an organization accustomed to paying fees as a large entity has made it necessary to correct the status of the subject patent application.

In accordance with the requirements of 37 CFR 1.28(c)2(inii), an itemization of the deficiency follows:

The Commissioner is hereby authorized to charge any fees listed in 37 CFR 1.16 and 1.17 which may be required by this paper or credit any overpayment to Deposit Account No. 08-1265.
